Convenience Valet Merchandising Systems are now available from Albert Guarnieri & Co.

Convenience Valet has been an industry leader for over 45 years. Their color-coded blister pack merchandising systems have now been customized for convenience store use. The simple customer friendly blister pack merchandisers for small and trial size consumer utilize a compact yet effective use of floor or counter space.

The company continues to expand it's product line including; HBA, automotive, general merchandise etc. and now total over 500 different S. K. U.' s. For more information on how the Convenience Valet systems can fit into your operation contact your sales person or Rich Minto at 330-394-5636.
