Once again, our sincerest thanks and appreciation goes out to all of the customers, vendors and brokers whose attendance and participation helped make our Trade Show 2010 "Rodeo of Savings", a huge success!

Trade show attendees had access to over 1400 deals from more than 200 manufacturers. Free samples gave customers the ability to "try before you buy." Entertaining games and fun prizes provided additional excitement at the largest show of its kind between Pittsburgh and Cleveland.

Also new at the show this year was Papa Al's Deli Sandwich program, featuring high quality Cobblestone meats and cheeses.

Register to attend our next Trade Show [here](#). The time and date of the show will be announced later this year.

Be sure to include the following information in your registration: Business Name and Phone, your Albert Guarnieri & Co. Account Number or Business Address, list Attendee Names and Titles. Registration is free and saves you time at the door the day of the show.
