

# Fiesta of Savings

Thanks to everyone who participated in our 2006 food / trade show.

For our customers, we hope you enjoyed the day as much as we did. Hopefully, you took full advantage of the over 1,200 items that were on promotion! The new and exciting products that were on display were a big hit and should help keep your business a step ahead. Also, the games (some people are still looking for Papa Al), prizes (Randy won't be able to speak for days after announcing so many prizes and money booth winners), samples and buffet helped make this year's show seem like a real fiesta!

Of course, our food / trade show wouldn't be possible without the help and assistance from our terrific vendor / broker community. With over 120 booths, our show continues to grow - but it's only possible through your help. The customers and employees of Albert Guarnieri & Company thank you for your commitment and contribution to the largest food / trade show between Cleveland and Pittsburgh.

Congratulations to Sam and Patricia from Save-4 Store, the winners of our "Early Bird" drawing that included Limo Service to and from the show, compliments of Park Avenue Limousine, and overnight accommodations at the Avalon Inn.

We are already planning for next year's show. Thanks again - and we look forward to serving you each and every day.
